MA 242 Section A
Solutions to
Homework

Name ____________________________________________

Last five digits of ID number _______________________

Solutions to exercises assigned during the week ending ____________

Homework format:

1. Solutions must be submitted on 8.5 \times 11 inch, white paper. No frizzies on the edges. Three-hole-punch paper is recommended.

2. Pages must be assembled according to the order in which the problems were assigned.

3. Neatness is a consideration when we review this work.
