

# MA294 Discrete Mathematics II

## Summer II, 2004#1

**Lectures (Johnnie Naylor)**  
MTWR 11am-1pm, PHO 201

**Description:** This course is designed as an introduction to graph theory and some basic algebraic structures. To that end we will cover most of chapters 11 & 16 and some sections from 12, 13, 14, & 15.

**Text:** Ralph Grimaldi, *Discrete and Combinatorial Mathematics*, 5th ed, Addison-Wesley, 2004.

**Office hours:** Mondays 1:30pm to 2:30pm and Wednesdays 10am to 11am in MCS 160. Or by appointment.

**Contact info:** einnhoj@math.bu.edu or 617.353.2938

**Homework:** There will be homework assigned every day on the material covered in class. The homework will not be collected.

**Quizzes:** There will be in class quizzes every day based on the homework from the previous day's lecture.

**Exams:** There will be one final exam on the last day of class, Thursday August 12, during the normal class meeting time.

**Grading:** Your grade will be 60 % Quizzes & Attendance and 40 % Final Exam.

**Withdrawals:** Please note that the last day to drop is July 12 and the last day to Withdraw is July 26

**Warning:** Students are expected to know and adhere to the CAS Academic Conduct Code. Cheating will not be tolerated, and standing procedures will be implemented for anyone suspected of such behavior.
