Homework No.8

Assigned: Thursday, June 17.
Due: Tuesday, June 22.

Problem 1: Differential equations. Exercises 8, 9, 10 on page 538. Exercises 5 – 8 and 9, 10 on page 558.

Note. This homework is important. Four of the problems on Exam 2 will be chosen from the above set, probably with changed wording and/or numbers.

Note 2. For this homework I accept joint submissions, meaning that a pair of students could submit only one set of solutions, with two names on it.
