Homework

Last five digits of ID number _____

Solutions to exercises assigned during the week ending _____

Homework format:

1. Solutions must be submitted on **8.5 × 11 inch paper**. Your grader would prefer that you use white paper. Three-hole-punch paper is recommended.
2. **No frizzies** on the edges.
3. Pages must be **assembled using a staple** according to the order in which the problems were assigned.
4. Neatness is a consideration when we review this work.

Problem sets that do not adhere to these requirements will not be graded.
