Homework format:

1. All solution sets must have this cover sheet. A pdf file for this sheet is posted on the course web site.
2. Solutions must be submitted on **8.5 × 11 inch paper** or **8 × 10.5 inch paper**. Your grader would prefer that you use white paper. Three-hole-punch paper is recommended.
3. **No frizzies** on the edges.
4. Pages must be **assembled using a staple** according to the order in which the problems were assigned.
5. Neatness is a consideration when we review this work.

Problem sets that do not adhere to these requirements will not be graded.
