

BOSTON UNIVERSITY GEOMETRY AND PHYSICS SEMINAR

3D MIRROR SYMMETRY

Conan Leung

Chinese University of Hong Kong (CUHK)

CCDS 365, October 8, 2025, 4-5pm

Abstract: In this talk, I will explain what 3d mirror symmetry is and its relationships with mirror symmetry.

See <http://math.bu.edu/research/geom/seminar.html> or contact Siu-Cheong Lau (scllouis@bu.edu) or Brian Williams (bwill22@bu.edu) for more information.
